

*DECEMBER 2006*

*“ FESTIVE SEASON ”*

2006 is quickly drawing to an end. From discussions with numerous breeders most breeders seem to have had a fair amount of success in the breeding room. I have visited a number of breeders and have seen some very good youngsters in more than one aviary, which will contribute to a very interesting 2007 show season.

If you have not yet bred that “Stormer” for 2007 you will have to breed it soon as there is only 8 months before the 2007 National.

News from abroad is that a very good Violet hen won Best in Show at the BS Club Show, with Best Opp. Sex going to a Cobalt cock. The Violet hen won Best Opp. Sex in 2005.

A reminder that our Annual General Meeting of the BSSA will be on Saturday the 3<sup>rd</sup> of February 2007. We will also have a bird sale and a judges meeting to conclude the day.

I would like to make use of the opportunity to thank every member of the 2006 Management Committee for the effort they put in and their individual contributions towards the fancy. We can only go from strength to strength if it is a team effort.

To all the newly elected club committees I would like to congratulate you on behalf of Management with your election and look forward to your ongoing efforts at club level and continued support.

On behalf of the Management Committee I would like to wish each member a Happy Christmas and a Festive New Year.

Budgie greetings
